

# Personal Consultation/Tutorial Series: Joining Astrology and Life

---

*With Joseph Crane*

This program is the result of twenty years of working with astrology clients and students and finding out what they want. This is for those who want to broaden their knowledge of astrology and gain perspective on important life issues. It's also a chance for the relative newcomer to astrology to receive basic instruction using their own chart. Many people want to combine astrological learning with personal discovery. The *Personal Consultation/Tutorial Series* aims to meet these needs in a personalized format.

The Series consists of *five* 60-75 minute sessions over two months. They can be in person or over the telephone. If we are working by telephone, before each session you will receive charts by e-mail. For all sessions you will receive a recording afterwards.

Before we begin, we decide on goals. For example:

- You would like an overview of modern or traditional astrology through the lens of your own chart and the events in your own life.
- You have studied astrology and would like to increase your knowledge of technique and application.
- You are seeking a fuller astrological perspective from which to gain insight and direction for your life and your relationships.

Our first session follows the pattern of a full astrology session, emphasizing your personal or astrological interests. Following sessions go into greater depth to explore personal issues that may include vocation and talent, relationships, character and spiritual potential. We may also explore different features of astrology using the vehicle of your own chart; this may include modern or traditional natal and prediction, relationship indicators, harmonics and midpoints and relocation. You may also decide to work exclusively with Hellenistic astrology.

Taken individually these sessions would cost \$410; as a series the five sessions are available for \$350 in two payments. *Save \$50 if you begin before November 1, 2010 (for a total course fee of \$300).* For an initial conversation at no cost, contact Joseph at [info@astrologyinstitute.com](mailto:info@astrologyinstitute.com) or [josephcrane@verizon.net](mailto:josephcrane@verizon.net).
